Corner-to-Corner Hug Me Blanket

You'll love that just one cake ball makes a whole baby blanket! This fleecy, snuggly yarn is light in weight and comes in a range of neutrals, brights and pastels!

Blanket measures 32 x 32" [81.5 x 81.5 cm].

Notes

- 1. Blanket is worked diagonally from corner to corner and is reversible.
2. You will use up almost the entire cake of yarn for this project. Make sure you check your gauge and adjust needle size if necessary.
3. Stitches are increased up to the widest point at center diagonal then stitches are decreased back down to opposite corner.
4. A yarn over (yo) is worked at the beginning of every row to form an eyelet border.
5. An eyelet row (yo, k2tog) is worked in Row 10 of increase section then every 8th row throughout remainder of blanket.
