

## MATERIALS

### Coats & Clark Dual Duty XP® All-purpose Thread

Collar in your pet's size, made from 1" (2.54cm)-wide webbing  
 ⅛ yd (11.43cm) contrast print fabric, for bow  
 ⅛ yd (11.43cm) holiday print fabric, for collar  
 Holiday button, 1" (2.54cm)  
 Hand-sewing needle  
 Edgestitching foot (optional)

*Note: The featured collar is made for a medium to large dog. Scale pieces accordingly for a smaller or larger pet.*

SEWING | SKILL LEVEL: **BEGINNER**

### Featuring Coats & Clark Dual Duty XP® All-purpose Thread

Add a little holiday pizzazz to your best buddy's leash and collar. Whether it's a party or just a daily walk, your pet is sure to appreciate the extra fashion statement. P.S. Works for kitties as well. Make a coordinating Holiday Dog Leash.

### MEASUREMENTS

**Finished size:** Custom

### CUTTING

WOF = Width of Fabric

**From contrast fabric, cut:**

(1) strip, 4 ½" x 12" (11.43cm x 30.48cm)

**From collar fabric, cut:**

(1) strip, 1 ½" (3.81cm) x WOF  
 Seam allowances are ¼" (.64cm).

### ASSEMBLE THE COLLAR

1. Press under ¼" (.64cm) on each long edge of the fabric strip.
2. Pin the strip to the webbing, sliding any buckles, rings or sliders out of the way as needed to thread the fabric along the webbing.
3. Hand-stitch the fabric strip edges to the webbing.

### MAKE THE BOW

4. Sew the short ends of the strip together and press the seam open.
5. Fold the strip right sides together, centering the seam. Stitch both edges of the strip, leaving an opening in one side for turning.
6. Turn the strip right side out and press the edges. Hand-stitch the opening closed.
7. Using a scrap of collar fabric, cut a short strip, press under the edges, and wrap the bow center tightly. Hand-stitch the center in place on the bow underside.
8. Sew the button to the bow center.
9. Adjust the collar to fit your pet, then mark the collar center opposite the buckle closure.
10. Hand-stitch the bow to the collar center point.
