2. Using a second color, pin yarn end to bottom of ball, and wrap around the diameter of the ball. Turn ball and wrap a second band of yarn in the same color, splitting the ball into quarters.
3. **Optional:** Turn ball again and wrap around the equator of the ball, crossing over the two bands of yarn. Cut yarn and pin tail to secure.

Hanger

Option 1: Insert metal ornament topper into top of ball.

Option 2: Cut a length of yarn. Knot yarn into a circle, then pin to top of ball.
