150 yd (147 m) balls

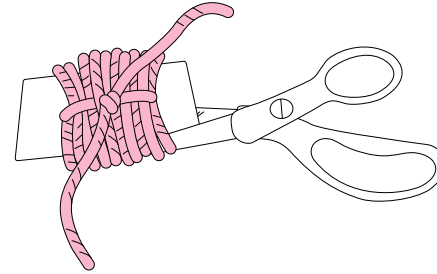

Pom-pom Gift Trim

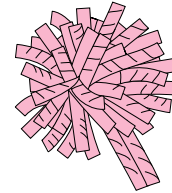

Pom-poms are a wonderful alternative to the usual bow on your gifts. This one is Christmas colors, but the idea can be used any season of the year!

POMPOM TRIM

1. Using a piece of stiff cardboard that is about 1" wide, wrap Red twine around it.
2. Cut a separate piece of twine, thread into yarn needle. Using doubled twine, slip it under the wraps; tie as tight as you can.
3. Cut the loops at one edge; shake the pom-pom.

4. Trim the ends so that they are even and ball shaped.

5. Tie to handle of gift bag.
6. Cut three strands of Green twine and tie a bow behind pom-pom. Trim ends.
