What you will need:

Red Heart® Celebration™: 1 ball each 9340 Aqua/Silver A, 9740 Pink /Silver B, 9240 Lime/Silver C, 9840 Blue/Silver D, 9640 Gold/Silver E, and 9540 Purple/Silver F **and**
Red Heart® Holiday®: 1 ball 140 White/Silver G

Susan Bates® Crochet Hook:
5mm [US H-8]

Tape measure, 18" (45.7 cm)
Straw or Styrofoam Wreath, Susan Bates® Pom-Pom Maker

GAUGE: Gauge is not important for this project.

RED HEART® Celebration™, Art. E802 available in 3.5 oz (100 g), 235 yd (215 m) balls

RED HEART® Holiday®, Art. E759 available in 3.5 oz (100 g), 235 yd (215 m) balls

SHOP KIT

Rainbow of Colors Wreath

What a colorful way to add a welcoming note to your front door or any locale in your home that needs a bright accent. Use a rainbow of colors as shown, or use colors that complement your home.

Finished Size: 18" (45.7 cm)

Project Note

For easier wreath wrapping, make 3" (7.6 cm) balls of each yarn color. If using a straw wreath, leave the plastic wrap on the wreath.

Wrapping the Wreath

Measure the circumference of the 18" (45.7 cm) wreath, approximately 56" (142 cm). To make wrapping easier, use a black pen and mark 12 equal parts around the outside of the wreath to indicate when to change the yarn color.

Wrap the wreath with **A, B, C, D, E,** and **F** on one side of the wreath and repeat on the other side.

With **G**, wrap 1" (2.5 cm) wide stripes between each color.

Weave in ends on the back of the wreath.

Finishing Wreath Hanger

With 1 strand each **C, D,** and **F** held together, make 22" (55.9 cm) chain, join with slip st in first ch. Fasten off, and weave in ends. Fold the hanger in half, wrap around the top of the wreath and pull one end of the hanger through the other end to secure. Pull the remaining loop to the back of the wreath.

Continued...

Pom-Poms

Make 1" (2.5 cm) pom-poms with **A** and **E**.
Make a 2" 5.1 cm) pom-pom with **B**. Attach to
the wreath hanger so pom-poms hang in the
center of the wreath.

ABBREVIATIONS

ch = chain; **cm** = centimeters; **mm** =
millimeters; **st(s)** = stitch(es); **yo** = yarn over
