

## MATERIALS

### Coats & Clark Eloflex® Thread

½ yd fleece (makes 2)  
Red Heart Super Saver yarn  
Red Heart Pom and Tassel Tool

## SEWING | SKILL LEVEL: **BEGINNER**

### Featuring Coats & Clark Eloflex® Thread

Perfect for beginners, this child's warm winter hat is all about pom-poms front and center. Sew with Eloflex stretch thread for seams that will stretch, not pop!

### **SIZE**

Child

Seam allowances are ¼" (.64cm).

### **CUTTING**

From the fleece, cut:

(1) rectangle, 14" x 20 ½" (35.56cm x 52.07cm)

*Want to make a matching adult size hat? Cut the fleece rectangle 24" x 16" (60.96cm x 40.64cm).*

### **ASSEMBLING THE HAT**

1. With right sides together, sew the rectangle short ends together. Finger-press the seam open. **Note: Do not iron fleece.**
2. Fold the tube in half, centering the seam and sew across the top of the tube.

3. Turn the hat right side out. Finger-press under a 2" (5.08cm) hem at the lower edge and pin in place.
4. Using a medium-width and medium-length zigzag stitch, sew the hem in place 1½" (3.81cm) from the folded edge. Stitch again ¼" (.64cm) beyond the first row of stitching.

### **MAKE THE POM POMS**

1. Follow the instructions on the Red Heart Pom and Tassel tool. Set up the tool to make two 2-inch pom poms. Complete the pom poms leaving the ends of the yarn used to tie the pom poms extended.
2. Trim the pom pom to so that it is even.

## **FINISHING**

1. Wrap each upper corner of the fleece hat tightly about 1" (2.54cm) down from the point to form "pointy ears".
2. Using the extended ends of the tying yarn, tightly tie a pompom to each fleece hat "ear".

No Pom & Tassel tool? Wind yarn around 3 fingers 100 times. Tie tightly in the middle and leave ends extended. Cut loops at both ends and trim to smooth round shape.
