Snowflake Table Runner

Whether you choose a selection of bright colors, soft colors or an elegant shade of white, this table runner will add a happy note to your décor. You'll love using it on a dining table, or adjust the size to fit any table.

Runner measures 15" wide x 60" long (38 x 152.5 cm).

Special Stitch

Picot = ch 4, slip st in last sc made.

Special Technique

Adjustable-ring method = Wrap yarn into a ring, ensuring that the tail falls behind the working yarn. Grip ring and tail firmly between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in the ring, working over both strands (the tail and the ring). After the first round of stitches is worked, pull gently, but firmly, on tail to tighten ring.

Notes

1. Runner is made from 28 snowflake motifs arranged into 3 rows of 9, 10, and 9 motifs each.
2. Each motif is worked in joined rounds with right side facing at all times.
3. Motifs are sewn to neighboring motifs through center picots in the last rounds. Hold the motifs with wrong sides together as you sew through ch-4 spaces.
4. Make and join motifs to neighboring motifs according to Assembly Diagram and instructions.

RUNNER

Motif (make 28 – 9 with A, 9 with B, 6 with C, and 4 with D)

FINISHING

With right sides facing, arrange motifs as shown in the assembly diagram. With wrong sides of neighboring spokes held together and matching center picots, sew through ch-4 spaces of center picots to join, matching yarn to one or the other color. Weave in ends. Wet block runner by stretching spokes of each motif evenly, pin in place, and spray with water. Allow to dry thoroughly before handling.
