Snake Shawl Pin

Inspired by a shawl pin crafted in South America, this clever pin is simply made with yarn as your only material needed. It's perfect to give as a gift or to make in colors to coordinate with any outfit.

Finished Measurement: 3½" (8.9 cm) diameter

Shawl Pin

1. Cut 16 strands of filler yarn about 24" (60.9 cm) long and gather together. Tie snugly ½"-1" (1.3 – 2.5 cm) from end with wrapping yarn.

2. Wrap yarn around filler placing each wrap close to previous wrap. Continue until you have 16" wrapped. Cut wrapping yarn leaving about 24" (60.9 cm) tail. Thread tail into yarn needle.

3. Cut end of filler close to the first wrap.

4. Form your piece into a spiral and slip needle under about 4 wraps to hold it.

5. Bring second end around and adjust wraps. Trim filler and slip needle under wraps to hold it in place; cut wrap.

6. Thread decorative yarn into needle and double it. Insert under ending wraps to secure. Alternate wrapping over outer spiral and inner spiral. This will help keep the spiral in place and will add a decorative contrast color to your pin.
