Throw measures about 44 x 44" [112 x 112 cm]

Notes

1. Throw is worked back and forth in rows from lower border upwards.
2. Borders on all four sides are worked in Double Moss Stitch. Between the borders, sections of Stockinette stitch (knit on right side, purl on wrong) are alternated with sections of Reverse Stockinette stitch (purl on right side, knit on wrong side) to form "boxes".
3. The "boxes" will become more evident after 12 or more rows of the body have been completed.
4. Circular needle is used to accommodate large number of stitches. Work back and forth in rows on circular needle as if working with straight needles.
5. Throw can be worked by following written instructions or reading chart. Read right side rows of chart from right to left and wrong side rows from left to right.
