Notes and Tips from Tamara:

- Throw is worked with 2 strands held together (tog).
- Leave long tails to facilitate weaving in ends.
- Crocheting with your hands isn't really any harder than crocheting with a hook. You still yarn over with the yarn before pulling it through loops.
- The key is to decide on the "size" of your hand-hook. In other words, how many fingers will

you use to establish the sizes of the loops? For this blanket, I recommend using 3 fingers when working single crochet (sc) stitches (sts), and 2 fingers when working chain (ch) 1 at beginning (beg) of rows.

Chain 21.

1st row: Skip first ch. 1 single crochet (sc) in next ch. 1 sc in each ch to end of chain. Turn. 10 stitches (sts).

2nd row: Ch 1. 1 sc in first sc. *Working in back loops only*, 1 sc in each st to end of row. Turn.

3rd row: Ch 1. 1 sc in first st. *Working in front loops only*, 1 sc in each st to end of row. Turn.

4th to 23rd rows: Repeat (rep) 2nd and 3rd rows. Fasten off. Weave in ends.
