Cherie Lace Shawl

This shawl wraps you in a beautiful stitch pattern and has a calming effect as you kick back and relax. Make it for yourself or for someone who deserves a bit of pampering.

Shawl measures 17" (43 cm) wide x 77" (195.5 cm) long after blocking.

Notes

1. Shawl is worked from the center outward in two Halves before adding End Borders and Edging.
2. Edging is worked continuously around the four sides of the Shawl without breaking the yarn until finishing.
