- Right side of project is facing at all times
- Work all rounds from **right to left**
- Move safety pin at end of each round to mark end of round.

BODY

Cut first loop of working yarn close to base to create a yarn "tail". Count next 4 loops for foundation rnd. Tie tail to yarn between 4th and 5th loops to create ring. Place ring on a flat surface with loops pointing outward.

1st rnd: Working counter-clockwise, pull first 2 loops from working yarn up through first loop of rnd (first loop to left of tie) creating 2 knit sts. *Pull next 2 loops from working yarn up through next loop of foundation rnd. Repeat from * twice more. Place safety pin between first and last sts of rnd to mark end of rnd. 4 sts increased. 8 sts at end of rnd.

2nd rnd: Pull first 2 loops from working yarn up through first st of rnd – increase 1 st in next st made. *Pull next 2 loops from working yarn up through next st of rnd – increase 1 st in next st made. Repeat from * 6 times more. 8 sts increased. 16 sts at end of rnd.

3rd rnd: *Increase 1 st in next st. Pull next loop from working yarn up through next st. Repeat from * around. 8 sts increased. 24 sts at end of rnd.

4th rnd: *Increase 1 st in next st. (Pull next loop from working yarn up through next st) twice. Repeat from * around. 8 sts increased. 32 sts at end of rnd.

5th rnd: Increase 1 st in next st. *Pull next loop from working yarn up through next st. Repeat from * to end of rnd. 33 sts at end of rnd. Repeat last rnd 6 times more. 39 sts at end of last rnd.

Next rnd: Increase 1 st in next st. (Pull next loop from working yarn up through next st) 13 times. (Place first loop of round on top of second loop creating double loop – treat this double loop as 1 st. Pull next loop from working yarn up through double st – Knit 2 sts together decrease made) 6 times. (Pull next loop from working yarn up through next st) 13 times. 34 sts at end of rnd.

Next rnd: Increase 1 st in next st. *Pull next loop from working yarn up through next st. Repeat from * to end of rnd. 35 sts at end of rnd.

Next rnd: Increase 1 st in next st. (Pull next loop from working yarn up through next st) 10 times. (Place first loop of rnd on top of second loop creating double loop – treat this double loop as 1 st. Pull next loop from working yarn up through double st – Knit 2 sts together decrease made) 7 times. (Pull next loop from working yarn up through next st) 10 times. 29 sts at end of rnd.

Bind off rnd: *Working in same direction as last rnd*, pull 2nd st through first st. Pull 3rd st through 2nd st. Pull 4th st through 3rd st. Continue in this manner to end of rnd. **Do not** break yarn.

Hanging Loop: Pull first unworked loop from working yarn through last st left after Bind off. Pull 2nd loop from working yarn through last st. Pull 3rd loop from working yarn through last st. Continue in this manner until 12 loops have been “knitted” onto chain. Cut last loop to create a yarn ‘tail’. Fold chain in half to create Hanging Loop. Tie to secure and weave in ends.
