INSTRUCTIONS

Notes:

- Before working with Caron® x Pantone™ multi-shade yarn braid, separate each color link and wind into 5 separate balls.

- Each color link will be referenced by its Pantone™ number (see label)
- Designate each different shade of the 5 separate yarn balls as Contrast A, B, C, D and E as noted in Materials section (or as desired).
- Due to finite amount of yarn in each shade, pattern gauge must be matched to ensure successful results
- When working from charts, carry yarn not in use loosely across WS of work but never over more than 5 sts. When it must pass over more than 5 sts, weave it over and under color not in use. The colors are never twisted around one another.

The instructions are written for smallest size. If changes are necessary for larger size(s) the instructions will be written thus (). Numbers for each size are shown in the same color throughout the pattern. When only one number is given in black, it applies to all sizes.
