

CRAFT | SKILL LEVEL: **EASY**

## ABBREVIATIONS

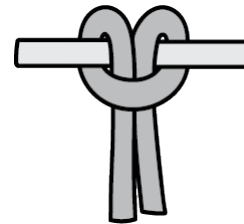

**Approx** = Approximately

## MEASUREMENT

Approx 12" [30.5 cm] diameter, excluding fringe.

## INSTRUCTIONS

1. Cut a total of 16 knotting cords 50" [127 cm] long – 8 in A and 8 in B.
2. Fold cords in half and tie each cord to center-top of first hoop with **Lark's Head** knot, arranged by shade as shown in diagram.

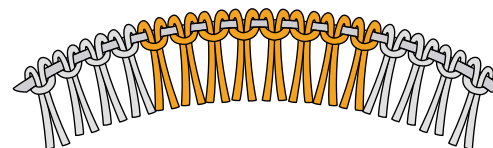

**LARK'S HEAD**

3. Once all 16 knotting cords have been attached to hoop, starting with outermost right cord in A, and using bottom of hoop as knot-bearer, begin working **Right-Left Double Half Hitch Knots**, placing first knot to the left of center as shown in diagram. Continue working in **Right-Left Double Half Hitch Knots** until all remaining cords in Section One have been worked, as designated in diagram.

**RIGHT-LEFT DOUBLE HALF HITCH KNOTS**

## MATERIALS

**Bernat® Macramé™** (8.8 oz/250 g; 44 yds/40 m)

**Contrast A Natural** (66001) **1 ball**

**Contrast B Orange** (66021) **1 ball**

Brass hoop approx 12" [30.5 cm] in diameter

4. Beginning with outermost left cord in A, begin working **Left-Right Double Half Hitch Knots**, placing first knot to the **Right of first Right-Left Double Half Hitch Knot**. Continue working in **Left-Right Double Half Hitch Knots** until all remaining cords in Section Two have been worked, as designated in diagram.

LEFT-RIGHT DOUBLE HALF HITCH KNOTS

5. Beginning with outermost left cord in B, begin working **Left-Right Double Half Hitch Knots**, placing first knot to the **Right of last Left-Right Double Half Hitch Knot** worked in A. Continue working in **Left-Right Double Half Hitch Knots** until all remaining cords in Section Three have been worked.

6. Beginning with outermost right cord in B, begin working **Right-Left Double Half Hitch Knots**, placing first knot to the left of last **Right-Left Double Half Hitch Knot** worked in A. Continue working in **Right-Left Double Half Hitch Knots** until all remaining cords in Section Four have been worked.

7. Trim cords evenly.
