From white felt, cut:

(1) strip, 2" x 8½" (5cm x 21.5cm)

From green felt, cut:

(2) leaves, using the pattern provided

Seam allowances are ¼" (.5cm).

INSTRUCTIONS

Assemble the Outside

1. Lightly press a center crease parallel to the 5" (12.5cm) pocket edge. Place the holly leaves at an angle 2" (5cm) from the lower edge and centered on one half. Using a tiny zigzag stitch, sew down the center of each leaf.
2. Hand-stitch the buttons at the base of the leaves in a cluster.

Assemble the Pocket

1. Fuse the interfacing rectangle to the wrong side of the lining fabric rectangle.
2. With wrong sides together, layer the lining below the outer pocket and baste edges together.

3. Fold the pocket right sides together and sew the side and bottom seams. Set the machine for a narrow, medium-length zigzag stitch and sew right next to the sewn seam. Trim the seam allowance next to the zigzag.
4. Turn the pocket right side out and press.
5. Trim one long edge of the white felt strip with pinking shears and sew the short ends right sides together.
6. With the right side of the cuff against the pocket lining, match the side seams and sew the cuff around the pocket top. The pinked edge should face downward.
7. Turn the cuff to the pocket outside and lightly press the top edge.
8. Tuck your silver inside and enjoy the buffet!

Tip: Instead of using the holly embellishment, appliqué your guests' initials on the front of the holder to personalize.

This square should
measure 1" x 1"
(2.54cm x 2.54cm)
when printed.
