# Woven Date Night Belt

*Perfect for dressing up a plain dress, you can make this belt in an afternoon and wear it that evening. Use the colors shown or any of the beautiful Sashay Sequins and Sashay Sparkle colors!*

## BELT

1. Cut 8 lengths of **A** to the desired finished length of Belt. Suggested length: Add 12" (30.5 cm) to your waist measurement to allow 2" (5 cm) for buckle attachment and 10" (25 cm) for extra overlap.
2. Cut one length of **B** to the same measurement.
3. Thread yarn needle with a length of **A**. Stretch length of **B** open and thread length of **A** through using a running stitch. Take care to keep sparkly edge facing up for maximum sparkle. Repeat for remaining lengths of **A**.
4. Slip end of **B** around center post of buckle. Use hot glue to secure ends to wrong side of belt.
5. Fold under loose ends; with sewing machine and matching thread, sew two rows across end to secure. Trim yarn close to machine stitching.
