Welcoming Pom Wreath

Use these bright colors or any colors that convey the spirit and warmth of the season and make a wreath to greet your guests. Using this Pom and Tassel Maker means you can make multiple pom-poms at one time. You'll love it!

WREATH

1. Following the instructions provided with the Pom and Tassel Maker, make a total of 50 pom-poms with the 5 colors of yarn. Vary the sizes of your pom-poms, making some 2", some 3" and some 4". Trim the tying cords to blend in with the pom-poms.

2. Using color **A**, wrap the wreath form, tucking the ends underneath the wraps.

3. Arrange the pom-poms to cover the front of the wreath.

4. When you are happy with the arrangement, use floral pins to fasten the pom-poms in place.
