INSTRUCTIONS

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.
- Pull tie to remove
- For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use. Follow color guide shown in Materials section for each O'Go (Contrast A, B, C, D and E). You may find it helpful to place each color section in its own resealable (zip lock) bag and label each bag A, B, C, D and E - Contrast E is not used in this design.

1. Cut 60 strands of A approx 20" [51 cm] long. Cut 60 strands of B approx 20" [51 cm] long. Cut 60 strands of C approx 20" [51 cm] long. Cut 30 strands of D approx 20" [51 cm] long.
2. Cut 1 strand of A approx 80" [203.5 cm] long. Secure one 1" [2.5 cm] metal ring to each end of yarn. (Hanging Yarn)

3. Tie each 20" [51 cm] strand to Hanging Yarn as follows: Working from left to right, tie 30 strands of each color using larks head knot(see diagram) in the following order: A, C, B, D, A, C, B.

4. Adjust knots so that strands are evenly spaced on Hanging Yarn. **Tip:** Steam fringe lightly to straighten.
5. Trim each color group straight across as seen in picture.

6. **Pompoms** (Make 2 each in A, B, C and D): Wrap yarn around 4 fingers 150 times. Remove from fingers carefully and tie tightly in center. Cut through each side of loops. Trim to a smooth round shape.

7. Attach Pompoms to Hanging Yarn between sections of colors as shown in picture.
