## Materials

Susan Bates® Easy Wrap Pompom Maker or piece(s) of heavy cardboard, 1¼ (2¼, 3½)" [4.5 (6.5, 9) cm] long, bobby pins or barrettes (optional), hot glue gun (optional)

Directions are for small pompoms. Changes for medium and large pompoms are in parentheses.

Pompom measures: 1¾ (2¼, 3½)" [4.5 (6.5, 9) cm] diameter.

## Notes

1. Pompoms can be made in single colors or by holding 2 or more strands of different colors together.
2. Many pompoms can be made from each ball or skein of yarn.
3. An adult should always operate the hot glue gun.

## POMPOM

With any color, following pompom maker directions, make as many pompoms as desired or make pompoms as follows: Wrap yarn around 1¼ (2¼, 3½)" [4.5 (6.5, 9) cm] piece of heavy cardboard (the more wraps, the fuller the pompom). Gently remove wraps from cardboard. Cut a 12" (30.5 cm) length of yarn and tie it tightly around center of wraps. Do not cut the ends of this center tie. Cut ends of wraps. Fluff and trim pompom to even strands. Use ends of center tie to tie pompoms to wearer's hair or barrette.

## Optional

Trim ends of center tie even with pompom and slide bobby pin through center tie or use hot glue gun to permanently adhere pompom to bobby pin or barrette.
