MEASUREMENTS

Approx 12" [30.5 cm] wide x 15" [38 cm] long.

GAUGE

5 loops = 4" [10 cm].

INSTRUCTIONS

Note: Right side of project is facing at all times.

ORGANIZER

With MC, count 15 loops for foundation row (noting yarn end is at far right and all loops are facing upwards).

1st row: Working from **left** to **right**, pull 16th loop (from "working yarn") up through 15th loop (last loop of foundation row) from behind to create a knit st. Pull next loop from working yarn up through next loop of foundation row. Continue in this manner to end of row. **Do not** turn work. 15 sts in row.

2nd row: Working from **right** to **left**, with working yarn in front, pull next loop from working yarn towards back through last st worked on previous row. *Pull next loop from working yarn towards back through next st. Repeat from * across to end of row. **Do not** turn.

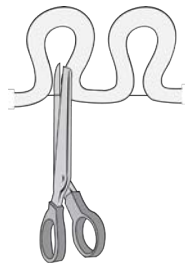

3rd row: Working from **left** to **right**, with working yarn in back, pull next loop from working yarn up from behind through last st worked on previous row. *Pull next loop from working yarn up from behind through next st. Repeat from * across to end of row. **Do not** turn.

Repeat 2nd and 3rd rows for basic knitting pattern until work measures approx 27" [68.5 cm], ending on a 3rd row.

Bind off row: Working in **same direction as last row**, pull 2nd st through 1st st. Pull 3rd st through 2nd st. Pull 4th st through 3rd st. Continue in this manner to end of row. Cut last loop to create yarn 'tail'. Tie to secure and weave in ends.

Fold Organizer horizontally, overlapping so bind-off edge is 3" [7.5 cm] from foundation row.

Cut a length of MC approx 40" [101.5 cm] long. Cut thread at base of all loops to create a smooth yarn for seaming. Thread yarn onto yarn needle. Sew 2 sides of Organizer closed.

BUTTERFLY APPLIQUE

Notes: "Working yarn" is held behind sts throughout work. Loops from working yarn are always pulled through sts from back to front of work.

With A, count 14 loops for foundation row (noting yarn end is at far right and all loops are facing upwards).

First Upper Wing

1st row: Working from **left to right**, pull the 15th loop (from "working yarn") up through 14th loop (last loop of foundation row) to create a knit st. (Pull next loop from working yarn up through next loop of foundation) row 3 times more. Leave remaining sts unworked. **Do not** turn. 14 sts in row. 4 sts in section.

****2nd row:** Working from **right to left**, pull next loop from working yarn up through last st worked on previous row. (Pull next 2 loops from working yarn up through next st) twice. Pull next loop from working yarn up through next loop. Leave remaining sts unworked. **Do not** turn. 6 sts in section.

3rd row: Working from **left to right**, pull next loop from working yarn up through last st worked on previous row. (Pull next loop from working yarn up through next st) 5 times. **Do not** turn.

4th row: Working from **right to left**, pull next loop from working yarn up through last st worked on previous row. Place next loop of row on top of following loop creating a double loop – treat this double loop as 1 st. Pull next loop from working yarn up through double loop – left leaning decrease made. Place next loop of row behind following loop creating a double loop – treat this double loop as 1 st. Pull next loop from working yarn up through double loop – right leaning decrease made. Pull next loop from working yarn up through next loop. Leave remaining sts unworked. **Do not** turn. 4 sts in section.

5th row: Working from **left to right**, pull next loop from working yarn up through last st worked on previous row. *Pull next loop from working yarn up through next st. Repeat from * twice more. **Do not** turn.

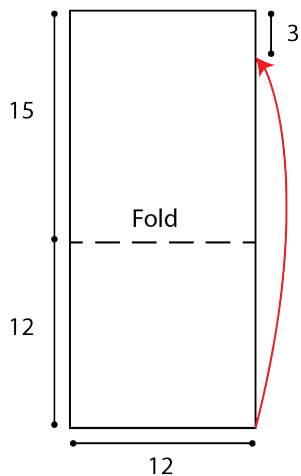

6th row: Working from **right to left**, work left-leaning decrease. Work right leaning decrease. Leave remaining sts unworked. **Do not** turn. 2 sts in section.

7th row: Working from **left to right**, work left-leaning decrease. Cut last loop to create yarn 'tail'. Tie to secure and weave in ends.**

First Lower Wing

1st row: Join A by pulling up a loop up through 9th loop of foundation row. Working from **left to right**, (pull next loop from working yarn up through next loop of foundation) row twice more. Leave remaining sts unworked. **Do not** turn. 3 sts in section.

*****2nd row:** Working from **right to left**, pull next loop from working yarn up through last st worked on previous row. Pull next 2 loops from working yarn up through next st. Pull next loop from working yarn up through next loop. Leave remaining sts unworked. **Do not** turn. 4 sts in section.

3rd row: Working from *left* to *right*, pull next loop from working yarn up through last st worked on previous row. *Pull next loop from working yarn up through next st. Repeat from * twice more. **Do not** turn.

4th row: Working from *right* to *left*, work left-leaning decrease. Work right leaning decrease. Leave remaining sts unworked. **Do not** turn. 2 sts in section.

5th row: Working from *left* to *right*, work left-leaning decrease. Cut last loop to create yarn 'tail'. Tie to secure and weave in ends.***

Second Lower Wing

1st row: Join A by pulling up a loop up through 7th loop of foundation row. Working from *left* to *right*, (pull next loop from working yarn up through next loop of foundation) row twice more. Leave remaining sts unworked. **Do not** turn. 3 sts in section.

Work from *** to *** as given for First Lower Wing.

Second Upper Wing

1st row: Join A by pulling up a loop up through 4th loop of foundation row. Working from *left* to *right*, (pull next loop from working yarn up through next loop of foundation) row 3 times more. Leave remaining sts unworked. **Do not** turn. 4 sts in section.

Work from ** to ** as given for First Upper Wing.

FINISHING

Sew Butterfly to Organizer as shown in photo.

Using yarn needle and white yarn, stitch butterfly "body" onto front of Organizer as shown in photo.

Antennae:

Cut a 6" [15 cm] length of white yarn. Thread onto yarn needle, and stitch across top of vertical "body" stitch. Tie a knot ½" [1.5 cm] from each end of strand. Hot glue antenna knots to Organizer as shown in photo.

Cut a length of MC approx 20" [51 cm] long. Cut thread at base of all loops to create a smooth yarn for seaming. Thread yarn onto yarn needle. Using whip st, attach Organizer to hanger.
