Looping Stripes Throw

Want to snuggle up under a handmade blanket but don't knit or crochet? Never fear, Loop-It yarn is the answer! Just start looping and you'll have your very own throw in no time.

Throw measures 45" [114 cm] wide x 45" [114 cm] long.

NOTES
1. Finger looping fun.™
2. Begin work on a flat surface. Stitches are worked by pulling loops of yarn through a row of previous loops. Right side will be facing throughout. No tools required are required.
3. To join balls of yarn, overlap three loops from the end of first ball with three loops from the beginning of second ball and work overlapping loops as one.
4. Change colors after ball runs out of yarn to create alternate stripes.
