## BEAR

### Body

Beginning at rear end of body with larger needles and **A**, cast on 7 sts.

**Row 1:** Knit.

**Row 2:** Kfb in each st across—14 sts.

**Row 3:** Knit.

Repeat Row 3 until piece measures about 7" [18 cm] from beginning.

**Next Row:** [K2tog] 7 times—7 sts.

Leave the remaining stitches on the needle. Cut yarn leaving a 5" [12.5 cm] tail. Tie the end of an 18" [45.5 cm] length of **B** to the 5" [12.5 cm] tail of **A**, tying the knot close to the first stitch on the needle. Thread the length of **B** onto the yarn needle and weave it through the 7 stitches on the knitting needle. Pull to gather the stitches for front end of body. Continuing with the strand of **B**, sew side edges together for bottom seam, and sew cast-on edges together for back seam, stuffing piece before completing seam.

## Head

Beginning at front end of head with larger needles and **A**, cast on 4 sts.

**Row 1:** Kfb in each st across—8 sts.

**Row 2:** Knit.

**Next Row:** [K2tog] 4 times—4 sts.

**Bind off. Note:** This is the neck end of the head.

**Finishing Head:** Thread a length of **B** onto the yarn needle and weave through stitches of bound-off edge, pull tight to gather. Sew side edges together for bottom seam, stuffing piece before completing seam. Weave **B** through stitches of cast-on edge and pull tight to gather. Weave in end securely.

**Next Row (wrong side):** With **C**, knit.

**Next 6 Rows:** With **E**, knit.

Bind off loosely.

**Fringe:** Cut 16 lengths of **E** and 12 lengths of **C**, each about 10" [25.5 cm] long. Hold 2 strands of **E** together and fold the strands in half. Insert crochet hook in lower corner of scarf. Place fold on hook and draw through, forming a loop. Thread ends of strands through loop and pull to attach fringe. Repeat to attach 7 fringes evenly spaced along each end of scarf, alternating **E**-colored and **C**-colored fringes, for a total of four **E** fringes and three **C** fringes on each end. Trim fringe to desired length.

**FINISHING**

**Assembly:** Refer to photograph for placement of all pieces. With yarn needle and **B**, sew neck end of head to front end of body, sewing around head a couple of times and making sure that you sew through the stitches (not just the outer layer of fur). Stuff legs firmly and sew to bottom of body. Stuff snout and sew in place on front of head. Stuff nose lightly and sew to tip of snout.

**Eyes:** With a strand of **D**, embroider straight stitch eyes on snout. Sew ears to top of head. Tie scarf around neck.
