**INSTRUCTIONS**

The instructions are written for smallest size. If changes are necessary for larger sizes the instructions will be written thus ( ). Numbers for each size are shown in the same color throughout the pattern. When only one number is given in black, it applies to all sizes.

Notes: When working from chart in Fair Isle technique, carry colors not in use loosely across WS of row, but never over more than 3 sts. When it must pass over more than 5 sts, weave it over and under color in use. The colors are never twisted around one another.

When working from chart in Color Block technique (Contrast B sections), wind small balls of the colors to be used, one for each separate area of color in the design. Start new colors at appropriate points. To change colors, twist the 2 yarns around each other where they meet on WS to avoid a hole.
