### **INSTRUCTIONS**

#### **Notes:**

- · Join all rnds with sl st to first hdc.
- Ch 3 at beg of rnds counts as dc.
- Ch 4 at beg of rnd counts as tr.

### **Tips from Mikey:**

- Some rounds may be missing chain 1 at the beginning intentionally so it doesn't thicken up the beginning stitch to look out of place.
- Project is completed on the right side.
- I recommend weaving in your tails as you go.

### **ASSEMBLY**

## Step 1

Following Diagram I, sew Small Motifs tog 4 motifs wide and 4 motifs long.

## **Tips from Mikey:**

- Important to whip stitch the 12 small squares together first. Leave space for the large square to sit in the middle. I would highly recommend that any slip stitching of the final round not be in the outside perimeter for when you need to circle the entire frame later. The slip stitching can throw your counts off easily.
- To prepare the middle square. Attach square using stitch markers at each point where the small squares join each other. This includes the corners and midway points. There will be eight stitch markers. Evenly whip stitch the square to the interior frame around.

**SNOW DAYS WITH HOT CHOCOLATE CROCHET BLANKET** | WEEK 3

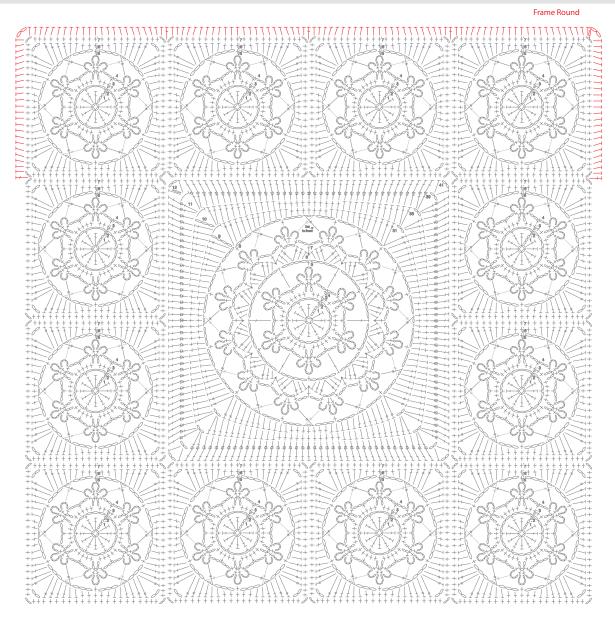

**CAC0502-033982M** | November 10, 2022

## Step 2

Following Diagram II sew in Large motif.

# **Tips from Mikey:**

- You must end with 95 sts per side in the next round. If you are short by 1 or 2 stitches, place in 2 hdc into the same st to increase the count. This will increase the stitch count by 1 each time you apply it.
- If you have too many stitches use hdc2tog strategically to remove the appearance of extra stitches which reduces the count by 1 each time you do it.
