Pattern Notes

1. When the pattern uses the term "knit" or "k", use the true knit stitch or the u-stitch:
<http://www.knittingboard.com/knit-stitch-page/>
<http://www.knittingboard.com/u-stitch-page/>
2. **ewrap:** wrap yarn around peg .
3. All yarn overs (yo) are completed by e-wrapping the peg.
4. For ease in reading the pattern's directions below, the steps involving eyelets are placed inside brackets [] to let you know that they are all accomplished on just two pegs.

There are two ways of creating eyelets for this pattern: Knit 2 Together (k2tog) for a right leaning eyelet, and Slip, Slip, Knit (ssk) for a left leaning eyelet.

[k2tog, yo]: Work over 2 pegs: Move the loop from the yo peg to the k2tog peg. Using the working yarn, e-wrap the k2tog peg and the empty yo peg. Knit off the bottom 2 loops as one on the k2tog peg.

[yo, ssk]: Work over 2 pegs: Move the loop from the yo peg to the ssk peg. Using the working yarn, e-wrap the empty yo peg, and the ssk peg. Knit off the bottom 2 loops as one on the ssk peg.
