## INSTRUCTIONS

### Notes:

- Before working with Caron® x Pantone™ multi-shade yarn braid, separate each color link and wind into 5 separate balls.
- Each color link will be referenced by its Pantone # (see ball band)
- Designate each different shade of the 5 separate yarn balls as Contrast A, B, C, D and E as noted in Materials section (or as desired).
- Due to finite amount of yarn in each shade, pattern gauge must be matched to ensure successful results.
- Each link will make one wall hanging.

**WALL HANGING** (make 1 with each color link)

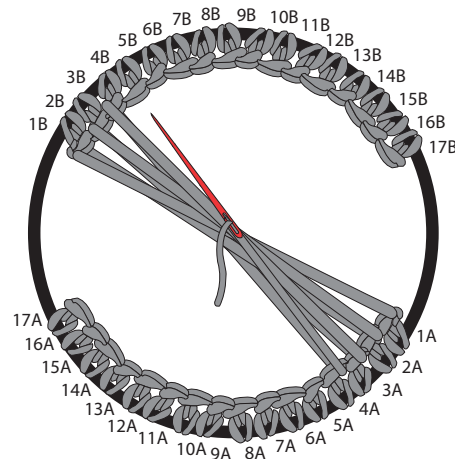

**Top of Hoop: 1st row:** (RS). Work 16 sc in hoop. Fasten off.

**Bottom of Hoop:** Work as for Top of Hoop.

With WS facing, pivot Top and Bottom rows of sc to inside of Hoop so RS of sts are facing (see Weaving Diagram).

**Weaving:** Cut one strand of yarn 180" [457.5 cm] long. With RS facing, secure one end of strand to right-most st at bottom (1A in diagram). With tapestry needle, weave strand down through left-most st at top (1B in diagram), up through next st at bottom (2A), down through next st at top (2B), pulling strand tightly (see diagram). Cont in this manner until all sts have been woven into.

**Weaving Diagram**

**Hanging Loop:** Work 1 sc in 8th sp at Top of Hoop (sp between 8th and 9th sc). Ch 20. Sl st in first sc to form Hanging Loop. Fasten off.

**Fringe:** Cut 15 strands of yarn 24" [61 cm] long. Taking 1 strand, fold in half and knot into fringe in every sp between sc across Bottom of Hoop. Trim fringe evenly.
