Simple embroidered accents create the faces
on these easy to crochet motifs.*

Each piece of candy corn measures about 5½"
(14cm) tall and 5½" (14cm) wide (at widest).

Notes

1. Each piece of candy corn is made in four parts: 2 body pieces (for front and back) and 2 eyes.
2. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color. Fasten off old color.

FINISHING

Face: Use photograph as a guide. With yarn needle and long tail, sew two eyes to five candy corn body pieces for fronts. Sew one 5mm black button to each eye. With **D**, embroider straight stitch mouth and tongue on each front.

Assembly: Hold one front (with face) and one back (without face) with wrong sides together. From right side and working through both thicknesses, join **D** with sc in edge, sc evenly spaced around to join front and back; join with slip st in first sc. Fasten off.

Weave in ends. With yarn needle, thread a long strand of **D** through the tops of the candy corn pieces to make banner. Tie knots in strand of **D** to hold pieces in place and space as desired.

ABBREVIATIONS: **A, B, C,** and **D** = Color A, B, C, and D; **ch** = chain; **hdc** = half double crochet; **sc** = single crochet; **st(s)** = stitch(es); **[]** = work directions in brackets the number of times specified.
