Corner-to-Corner Restful Throw

*Choose relaxing shades for a throw that's
nice and cozy. Start crocheting it at one
corner, then follow the pattern to increase
and decrease while you change colors for stripes.
You'll love not having anything to sew together
when you reach the last corner.*

Throw measures approximately 44" [112
cm] x 56" [142 cm] (including edging).

NOTES

Change color on an increase row as

follows: Work last dc until 2 loops remain
on hook, cut old color, yo with new color to
complete dc, continue with new color.

Change color on a decrease row as

follows: Do not ch 6, turn, slip st in first 3
dc, insert hook in ch-3 space of same block,
yo with new color, complete slip st with new
color and continue with new color.

THROW

Shape First Corner

With **A**, ch 6.

Row 1 (Right Side): Dc in 4th ch from
hook and in next 2 ch, turn—1 corner block
made.

Row 2: Ch 6, dc in 4th ch from hook and in
next 2 ch (beginning block made), (slip st,
ch 3, 3 dc) all in ch-3 space of previous row
(block made), turn—2 blocks.

Row 3: Ch 6, dc in 4th ch from hook and
in next 2 ch, [(slip st, ch 3, 3 dc) all in next
ch-3 space of previous row] twice, turn—3
blocks.

Row 4: Ch 6, dc in 4th ch from hook and in
next 2 ch, [(slip st, ch 3, 3 dc) all in next ch-3
space of previous row] 3 times, turn—
4 blocks.

Continue in this manner, **increasing** 1 block
on each row until there are 48 blocks across
AND working Stripe pattern as follows: 2
more rows **A** (for a total of 6 rows), 2 rows
B, 4 rows **C**, 3 rows **A**, 4 rows **D**, 2 rows **C**, 6
rows **A**, 3 rows **B**, 6 rows **C**, 2 rows **D**. Repeat
these 38 rows throughout for stripe pattern.

Note: When repeating stripe sequence
begin with 6 rows of **A**.

Continue in this manner increasing at
beginning of every row until side edge
measures 44" (48 blocks). **Do not change
color at end of last row.**

Shape Second Corner

Note: Mark beginning edge as width of
piece. You will be decreasing 1 block at
beginning of one row and increasing 1 block
at beginning of next row to maintain the
same number of blocks across. Follow Notes
for changing colors.

Decrease Row 1: Slip st across first 3 dc to
ch-3 space of second block of previous row,
[(slip st, ch 3, 3 dc) all in next ch-3 space
of previous row] to end of row, turn—48
blocks.

Increase Row 2: Ch 6, dc in 4th ch from
hook and in next 2 ch, [(slip st, ch 3, 3 dc)
all in next ch-3 space of previous row] to
last block, slip st in ch-3 space of last block,
turn—48 blocks.

Keeping in Stripe pattern, repeat last 2
rows until piece measures 43" [109 cm]
along marked edge and 55" [140 cm] along
unmarked edge.

Shape Third Corner

Keeping in Stripe pattern, repeat Decrease
Row 1 every row, decreasing 1 block at
beginning of every row until 1 block remains
on last row for last corner.
Fasten off.
