

Doll Wedding Dress

It might be too soon to plan your daughter's wedding, but never too soon for her to have a make-believe wedding. Crochet this beautiful wedding dress for her favorite doll.

Dress fits 18" (45.5 cm) tall doll. Dress from Neck to lower edge measures 13" (33 cm). Underskirt measures 9½" (24 cm) long.

Special Stitches

V-st = (Dc, ch 2, dc) in indicated stitch or space.

Shell = ([Dc, ch 2] 3 times, dc) in indicated stitch or space.

Shell in Shell = Shell in center chain-2 space of indicated Shell; do not work into the other 2 chain-2 spaces of the Shell.

Shell in V-st = Shell in chain-2 space of indicated V-st.

dc2tog (double crochet 2 together) = [Yarn over, insert hook in indicated stitch or space and draw up a loop, yarn over and draw through 2 loops on hook] twice, yarn over and draw through all 3 loops on hook.

dc3tog (double crochet 3 together) = [Yarn over, insert hook in indicated stitch or space and draw up a loop, yarn over and draw through 2 loops on hook] 3 times, yarn over and draw through all 4 loops on hook.

Special Techniques

Adjustable ring: Wrap thread into a ring, ensuring that the tail falls behind the working thread. Grip ring and tail firmly between middle finger and thumb. Insert hook through center of ring, yarn over (with working thread) and draw up a loop. Work stitches of first round in the ring. After the first round of stitches is worked, pull gently, but firmly, on tail to tighten ring.

Join with sc: Place a slip knot on hook, insert hook in indicated stitch or space, yarn over and draw up a loop, yarn over and draw through both loops on hook.

Bring up bead(s): Slide the indicated number of beads up the thread next to the last stitch made. Beads are drawn up while working wrong side rows/rounds, but will show on the right side.

String beads: Cut a length of sewing thread and fold it in half, bringing both ends together and forming a loop. Thread the two ends into eye of beading needle. Place end of crochet thread into loop. Pick up each bead with tip of beading needle, slide bead over sewing thread and onto crochet thread.

Notes

1. Dress is worked in two sections: Skirt and bodice. The skirt is worked from the waist down to the lower edge and the bodice is worked from the waist up to the neck edge.
2. An underskirt and veil are worked separately. Each consists of a crocheted band to which lengths of tulle are attached.
3. Beaded flowers are worked separately and sewn to the dress and veil.
