Shine On Scarf

No need to decide on just one shade of yarn, use a half dozen shades for a more spirited scarf look. You'll love the way this yarn reflects the flash of a camera. Great for taking photos where you are sure to shine!

Scarf measures 8" x 70" (20.5 x 178 cm), not including fringe

Special Stitches

Fsc: Foundation single crochet (This technique creates a foundation chain and a row of single crochet stitches in one) –

Step 1: Place a slip knot on hook, ch 2, insert hook in 2nd ch from hook and draw up a loop; yarn over and draw through one loop on hook (the “chain”); yarn over and draw through 2 loops on hook (the “single crochet”).

Step 2: Insert hook into the “chain” of the previous stitch and draw up a loop, yarn over and draw through one loop on hook (the “chain”), yarn over and draw through 2 loops on hook (the “single crochet”). Repeat for the length of foundation.

Notes

1. Scarf has 2 different stitch patterns worked alternately with each change of color.
2. Due to different stitch patterns, you may need to change hooks to maintain width throughout.
3. Long loops of chains are added to each end as fringes.
4. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color. Fasten off old color.
