Stunning Doily Dream Catcher

Upgrade your art wall with this gorgeous doily design! just one ball of It's a Wrap Rainbow and you'll be on your way to a uniquely stylish piece of art that celebrates your love of yarn and art.

Dream catcher measures about 34″ [86.5 cm] diameter when attached to Hula hoop.

Notes
1. Dream catcher is worked in joined rounds from the center outwards.
2. Follow the instructions carefully when joining rounds. Many rounds have a join that serves two purposes: 1. It joins the end of the round to the beginning of the round, and 2. It forms the last ch-space in the round. When working the next round you will be instructed to work into this same ch-space. To work into one of these ch-spaces, insert the hook into the space underneath the join in the same way that you would insert the hook into the space underneath a regular ch-space.

Special Stitches
Cl (2 double crochet cluster) = Yarn over, insert hook in indicated stitch or space and pull up a loop, yarn over and draw through 2 loops on hook (2 loops remain on hook); yarn over, insert hook in same stitch or space and pull up a loop, yarn over and draw through 2 loops on hook; yarn over and draw through all 3 loops on hook.
dc2tog (double crochet 2 stitches together) = [Yarn over, insert hook in next stitch, yarn over and pull up loop, yarn over, draw through 2 loops] 2 times, yarn over, draw through all 3 loops on hook.
dc3tog (double crochet 3 stitches together) = [Yarn over, insert hook in next stitch, yarn over and pull up loop, yarn over, draw through 2 loops] 3 times, yarn over, draw through all 4 loops on hook.
picot = Ch 2, slip st in 2nd ch from hook.

FINISHING
Weave in ends.

Cover Hula Hoop with Ribbon (optional): Apply a small amount of hot glue onto the hula hoop and press the ribbon end into it. Begin wrapping the ribbon around the hula hoop, pulling it tight as you go. After wrapping around the entire hoop cut the ribbon, leaving about ½" [13 mm] of extra ribbon. Place a few drops of hot glue onto the ribbon edge and fold over to prevent it from fraying. Next apply a few more drops of hot glue to the hula hoop and press the ribbon onto it.

Attach Doily to Hoop: To attach the doily, thread the yarn needle with some of the leftover yarn and weave in between the loops of Round 36 and

around the hoop as pictured. Once you've gone around the entire doily trim the yarn, tie both ends into a knot in the back, and weave in the ends.
