#### Notes:

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.
- Pull tie to remove.

- For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use.
- Follow color guide shown in Materials section for each O'Go (Contrast A, B, C, D and E). You may find it helpful to place each color section in its own resealable (zip lock) bag and label each bag – A, B, C, D, E.
