Instructions

1. Use the quilt photo for block placement and the diagram on page 2 and 3 to assemble the quilt center. Press each seam as you assemble.
2. From two of the 4 ½" x WOF strips, cut 38 ½" pieces. Sew to the sides of the quilt center. Press.
3. Sew the remaining 4 ½" strips together to make one long strip. Cut into two pieces 44 ½" long. Sew to the top and bottom of the quilt. Press.
4. Layer the backing, batting, and quilt top. Quilt by hand or machine, using the quilt photo as a guide or as desired.
5. Sew the binding strips together to form one long strip. Fold the binding in half, lengthwise, with wrong sides together and press. Sew the raw edges of the binding to the edges of the right side of the quilt. Turn the folded edge of the binding to the back side of the quilt and stitch in place by hand, mitering the corners.
