Chunky Shells & Stripes Throw

Cozy up with this chunky weight throw! Crocheted in the colors shown or your own color choices, it is perfect for keeping any member of the family warm on a wintry evening.

Throw measures about 45 x 56" [114.5 x 142 cm].

Notes

1. Throw is worked back and forth in rows, changing color to create broad stripes.
2. To change color, old color is fastened off and new color joined to begin next row. Read instructions carefully to ensure that right side is facing when new color is joined. You may wish to place a marker on the front of Row 1 to indicate the right side of Throw.
