Cut first loop of yarn close to base to create a tail approximately 3" [7.5 cm] long. Count 34 loops for foundation round. Tie tail to yarn between 34th and 35th loops to create ring. Place all loops facing upwards.

1st round: Working from **right to left**, with working yarn in front, pull the 35th loop (from 'working yarn') up through 1st loop (first loop of foundation row) towards back to create a purl stitch. *Pull next loop from working yarn towards back through next stitch to create a purl stitch. Repeat from * around. **Do not** turn. Place safety pin between first and last stitches of round to mark end of round.

2nd round: Working from **right to left**, with working yarn at back, pull next loop from working yarn up from behind through 1st stitch worked on previous round to create a knit stitch. *Pull next loop from working yarn up from behind through next stitch to create a knit stitch. Repeat from * around. **Do not** turn. Replace safety pin to mark end of round.

Next round: Working from **right to left**, with working yarn in front, pull next loop from working yarn towards back through 1st stitch worked on previous round to create a purl stitch. *Pull next loop from working yarn towards back through next stitch to create a purl stitch. Repeat from * around.

Bind off round: Working from **right to left**, pull 2nd stitch through 1st stitch. Pull 3rd stitch through 2nd stitch. Pull 4th stitch through 3rd stitch. Continue in this manner around. Cut last loop on working yarn to create yarn tail. Pull yarn tail through last loop. Tie to secure and weave in ends.

Fringe: Cut base of loops carefully to create a straight length of yarn approximately 204" [518 cm] long (will be cut to make fringe). Cut strands of yarn 6" [15 cm] long. Fold 1 strand in half and knot into fringe across each horizontal bar, created by last round. Trim fringe evenly.
