Crochet Circles Throw

*You'll love going around in circles as you
crochet this bright and happy throw! An
unusual way to join the squares results in raised
seams, making this truly a unique pattern.*

Throw measures 50" x 50" (127 x 127 cm)

Round 5: Now work in 2 top loops as usual. Slip st to next ch-2 space; (ch 3, dc, ch 2, 2 dc) all in same space, [dc in next 10 sts, (2 dc, ch 2, 2 dc) in next ch-2 space] 3 times, dc in last 10 sts; join in top of ch-3 – 14 sts between ch-2 spaces. Fasten off.

Assembly

Layout the squares in a saw tooth pattern, alternating a circle square with a plain square. Place the colors in a manner that pleases you. With the right sides up and using color **A** join the squares by abutting the squares next to each other and running the yarn through both loops of each square. This will form a raised seam that adds an interesting design element. It is easiest to join the squares into strips, and then join the strips together.

Abbreviations

A, B, C, etc. = color A, B, C, etc.; **ch** = chain; **dc** = double crochet; **hdc** = half double crochet; **mm** = millimeters; **sc** = single crochet; **st(s)** = stitch (es); **[]** = work directions in brackets the number of times specified.
