Notes:

- Before working with Caron x Pantone multi-shade yarn braid, separate each color link and wind into 5 separate balls.

- Each color link will be referenced by its Pantone # (see label).
- Designate each different shade of the 5 separate yarn balls as Contrast A, B, C, D and E as noted in Materials section (or as desired).
- Due to finite amount of yarn in each shade, pattern gauge must be matched to ensure successful results.
- Ch 2 at beg of rnd **does not** count as st.
- Garment is worked from neck edge down in one piece.
- Project is worked in the round, but **turn** at end of each round to alternate working RS and WS to maintain even stitching.
