INSTRUCTIONS

FEATHERS (see diagram on page 2)

MEASUREMENTS

Small: Approx 5" [12.5 cm] long.

Medium: Approx 8" [20.5 cm] long.

Large: Approx 12" [30.5 cm] long.

The instructions are written for smallest size. If changes are necessary for larger sizes the instructions will be written thus (). Numbers for each size are shown in the same color throughout the pattern. When only one number is given in black, it applies to all sizes.

1. Cut 2 strands **12 (18-26)" [30.5 (45.5-66) cm]** long.
2. Taking both strands tog, fold in half and tie strands to bottom of hoop using Larks Head Knot to form Shaft of Feather.
3. Taking all 4 hanging strands tog, tie an overhand knot approx 3" [7.5 cm] from bottom of strands.
4. Cut strands 6" [15 cm] long.
5. Taking 2 strands, tie a square knot around Shaft to form Plumes of Feather.
6. Rep as given in step 5 above to tie Plumes down full length of Shaft.
7. Un-ply each Plume to create feathery feel and help secure square knots in place.

WALL HANGING

Note:

- Work on flat surface to construct wall hanging.
- Slide feathers and fringe out of the way as you work and adjust once complete.

Working from **LEFT** to **RIGHT** across bottom of larger hoop proceed as follows:

1. Cut 108 strands of D 24" [61 cm] long
2. With A, make 1 Small Feather around bottom of larger hoop.
3. **Make Fringe around larger hoop:** *Taking 6 strands of D tog, fold in half and tie around bottom of larger hoop using Larks Head Knot. Rep from * twice more for a total of 3 Fringe sections.
4. With B, make 1 Medium Feather around bottom of larger hoop.
5. Make Fringe around larger hoop as in step 3.
6. With C, make 1 Large Feather around bottom of larger hoop.
7. Place smaller hoop inside larger hoop and align bottom edges (see diagram right).
8. **Make Fringe around both hoops:** *Taking 6 strands of D tog, fold in half and tie around bottom of both hoops at the same time using Larks Head Knot (enclosing taped section). Rep from * twice more for a total of 3 Fringe sections.
9. With A, make 1 Large Feather around bottom of both hoops (enclosing taped section)
10. Make Fringe around both hoops as in step 8.
11. With C, make 1 Large Feather around bottom of larger hoop only.
12. Make Fringe around larger hoop as in step 3.
13. With B, make 1 Medium Feather around bottom of larger hoop only.
14. Make Fringe around larger hoop as in step 3.
15. With A, make 1 Small Feather around bottom of larger hoop only.
16. Adjust Feathers and Fringe across bottom of hoops as shown in photo.

Tape hoops tog at point where they touch to secure in place, ensuring both hoops lay flat.
