# Unicorn Baby Blanket

This clever blanket doubles as a huggable unicorn pillow! Unicorn's head and tail are added so that they are visible after you roll it up. Button and loop closures keep it securely rolled.

**Blanket measures 35" wide x 24" long  
(89 x 61 cm), unbuttoned.**

## Special Stitch

**sc2tog** = [Insert hook in next stitch, yarn over and pull up a loop] twice, yarn over and draw through all 3 loops on hook.

## Special Technique

**Join with sc** = Place a slip knot on hook, insert hook in indicated stitch, yarn over and pull up a loop, yarn over and draw through both loops on hook.

## Notes

- Blanket is worked flat, then rolled to determine placement of head, ears, buttons, and tail.
- Unicorn head is worked in continuous rounds. Do not join or turn unless otherwise instructed.

## FINISHING

Refer to photo for placement of pieces and facial features.

### Head

Stuff head very lightly with fiberfill. Fold head in half, matching sts on Row 18.

Working through both thickness, join **C** with sc in first st, sc in each st across. Fasten off, leaving a long tail to slip st head to blanket.

With **B**, embroider eyes with short straight stitches on either side of head. Sew ears on each side of head. Sew horn on center of head, slightly in front of ears.

Cut 5" (12.5 cm) strands of **B** for mane. With yarn needle, draw strands through sts in a straight line from unicorn to top of head. Trim as needed to keep mane from covering eyes.

### Blanket

Fold blanket in half widthwise twice. Roll up tightly across width. **Optional:** You may wish to tie blanket closed until all finishing is complete.

Position head at top end and slip st in place through single thickness of border. For tail, wrap **B** around hand as many times as desired and cut strands across side of hand. Draw all pieces through 1 group of 3 sts at opposite edge from head. Fold over so strands are doubled and finger-comb straight. With strand

of **B**, wrap around all strands and tie securely in place close to sts. Trim evenly.

Where edge of blanket overlaps rolled section, sew button under each end of blanket. Place markers on edge of sts centered over buttons.

Button Loop (make 2)

**Row 1:** With smaller hook, join **B** with slip st in 2nd st before marked st, ch 5, skip next 3 sts, slip st in next st, turn.

**Row 2:** Ch 1, sc in each ch, slip st in joining slip st. Fasten off.

Weave in ends.
