SHOP KIT

Fabulous Planned Pooling Wrap

Enjoy a morning walk or cozy up on the sofa with this over-sized plaid wrap. We've used Super Saver Pooling yarn that is engineered to make it easier to achieve the perfect plaid. The triple knot fringe is the ideal finishing touch!

What you will need (continued):

Susan Bates® Crochet Hook:
5mm [US H-8]

Extra hooks in neighboring sizes (see notes)

Yarn needle

GAUGE: 3 full sc sts per each length of one color in Moss st. **CHECK YOUR GAUGE. Use any size hook to obtain the gauge.**

Wrap measures 36 x 72" (91.5 x 183 cm) including edging, and not including fringe.

NOTES

1. It is highly recommended that you watch Marly Bird's tutorial videos on planned color pooling before beginning this project. You may have to tighten or loosen some stitches as you go in order to keep the color pooling intact. Keep a variety of hook sizes on hand to help resize your stitches.
2. The last sc of Row 3 and the first sc of Row 4 may have to be replaced with hdc sts in order to keep the pooling intact. You may or may not have to do this; keep an eye on the color alignment to decide.
3. This yarn has been specially designed to get 3 sc in each color in the sequence when worked in Moss st.
4. Each color length, or 3 repeats, should measure about 1½" (4 cm) across in Moss st. However, it is more important that you follow the per-color gauge than the per-inch gauge.
5. Your wrap may turn out to be a different width depending on the number of colors in your colorway. Find how many colors are in the sequence YOU are using, and maintain 3 sc per color for perfect results.

MOSS STITCH

Ch an even number of sts.

Row 1: Skip 3 ch, sc in next ch, * ch 1, skip 1 foundation ch, sc in next ch; repeat from * to end, turn.

Row 2: Ch 2 (counts as a st now and throughout), sc in next ch-1 space, * ch 1, sc in next ch-1 space; repeat from * to end finishing with a sc in last ch-3 space, turn.

Row 3: Ch 2 (counts as a st now and throughout), sc in next ch-1 space, * ch 1, sc in next ch-1 space; repeat from * to end finishing with a sc in last ch-2 space, turn.

Repeat Row 3 only for Moss st.

WRAP

With **A**, ch for at least 40" (101.5 cm), with the last loop on hook being the first loop of a new color just after a color change in the yarn.

Row 1 (right side): Skip 3 ch (counts as a st), sc in the 4th ch from hook, * ch 1, sc around the foundation ch (instead of going into a ch st); repeat from * until 4 full color sequences has been completed. The number of sc made in

AMERICA'S MOST RECOMMENDED
YARN BRAND

each individual color in the colorway should be 3. Leave remaining ch sts unworked. Undo one st repeat (sc, ch 1), turn.

Note: If at this point you are NOT getting 3 sc per color, then redo the row with a different hook size. Getting 3 sc per color with this yarn is essential to making this technique work.

Row 2 (wrong side): Ch 2 (counts as a st now and throughout), sc in next ch-1 space, * ch 1, sc in next ch-1 space; repeat from * to end finishing with a sc in last ch-3 space, turn.

Note: As you work this row and all remaining rows, you MUST get the correct number of sc in each color in order to maintain the planned color pooling. Change hook sizes, or actual st used, to get the correct color in place.

Row 3 (right side): Ch 2 (counts as a st now and throughout), sc in next ch-1 space, * ch 1, sc in the next ch-1 space; repeat from * to end, finishing with a sc in last ch-2 space, turn.

Note: The color of the sts on this row will shift to the left or right by 1 st from the previous right side row depending on the colorway and if you are right or left handed. It doesn't matter which direction the st shifts as long as it is off-set by 1.

Row 4 (wrong side): Ch 2 (counts as a st now and throughout), sc in next ch-1 space, * ch 1, sc in the next ch-1 space; repeat from * to end, finishing with a sc in last ch-2 space, turn.

Note: The color of the sts on this row will shift to the left or right by 1 st from the previous wrong side row depending on the colorway and if you are right or left handed. It doesn't matter which direction the st shifts as long as it is off-set by 1.

Repeat Rows 3 and 4 until 8 full color repeats have been completed lengthwise, ending on a Row 4 (wrong side row).
Fasten off.

FINISHING

Squish or stretch the sts on foundation chain to match the width of the rest of the wrap. You can slide the sts around along the foundation chain, as with an adjustable ring. Unravel unused foundation ch sts and weave in yarn tail to secure foundation.

Edging

With right side facing, join **B** with slip st in foundation ch st under last sc of Row 1, being ready to work across foundation edge.

Round 1 (right side): Ch 2 (counts as a st now and throughout), sc once more in same foundation ch, * ch 1, sc in next space between scs of Row 1; repeat from * to ch-3 corner space, (ch 1, sc) 3 times in corner space, rotate Wrap to work along long side edge, (ch 1, sc) in each ch space at edge of every other row to corner sc, (ch 1, sc) twice around corner sc, rotate Wrap to work along top edge, (ch 1, sc) in each ch-1 space to corner ch-2 space, (ch 1, sc) 3 times in corner space, rotate Wrap to work along long side edge, (ch 1, sc) in each ch space at edge of every other row to corner sc, (ch 1, sc) twice around corner sc, ch 1, join with slip st in beginning ch-2.

Round 2: Ch 2 (counts as a st now and throughout), sc in next ch-1 space, * ch 1, sc in next ch-1 space; repeat from * around, join with slip st in beginning ch-2.
Fasten off.

Triple Knotted Fringe

Attach a fringe at each ch-1 space across short edges of Wrap as follows: Cut 2 strands of yarn, 32" (81 cm) each. Fold strands at center. Use hook to pull center of strands through edge space, then pull ends of strands through the resulting loop and pull tight.

Take 2 strands (half the strands) from each of 2 neighboring fringe groups, and tie together in a square knot about 5" (12.5 cm) below first knot. Repeat this process across both short edges of Wrap to create the second row of knots.

Take 2 strands (half the strands) from each of 2 neighboring newly-formed fringe groups just made, and tie together in a square knot about 5" (12.5 cm) below second row of knots.

Trim fringe evenly to about 15" (38 cm) long.

Weave in all loose ends.

ABBREVIATIONS

A, B = Color A, Color B; **ch** = chain; **sc** = single crochet; **st(s)** = stitch(es); *** or **** = repeat whatever follows the * or ** as indicated.
