Note from Marly: I would like to thank my longtime friend Drew Emborsky, aka The Crochet Dude (TM), for his contribution to the Chic Sheep by Marly Bird™ collection. Drew is well known for his use of texture and color in crochet items and boy did he deliver an accessory set that packs a punch of both. Originally designed for a man, so many of the models LOVED this set that I thought it would be great to show it as a boyfriend's accessory set that you might "borrow" from him...like a pair of worn in jeans; hence the name, Beau Chic (Boyfriend Accessory Set). This is just one of many wonderful designs by Drew Emborsky, to learn more about him and his designs by visiting DrewEmborsky.com
