Benedict & Bertie Crochet Bird

These birds really are sweet, but right now they can't decide what to have for dinner—seeds or worms? Hopefully they'll choose soon, and feel a little less grumpy!

Bird measures about 3½" [9 cm] tall.

Special Stitch

sc2tog (single crochet 2 stitches together) = [Insert hook in next stitch, yarn over and pull up a loop] twice, yarn over and draw through all 3 loops on hook.

Notes

1. Before beginning, separate the different color sections of the yarn as follows: Pop the center color out by pushing gently on the center of the ball so that it comes out intact. Find the point where the color changes and cut the yarn. Repeat this process for the remaining yarn colors by carefully pushing the rings of color out of the larger ring and cutting. Wind each color into a separate ball to prevent tangling. You may find that one color appears both in the center, and on the outside of the ball, wind together or separately. In the pattern instructions, the white color is referred to as **A**, the yellow as **B**, the red as **C**, and the black as **D**.
2. Bird is made in 12 pieces: Body/head, beak, tail, and head feathers, 2 eyes, eyebrow, belly, and 4 wings/feet.
3. Pieces are sewn together using yarn tails or yarn scraps.
4. Before beginning, select a colorway: colorway #1 or colorway #2.

Colorway #1: Work body/head with **B**; beak, tail, and head feathers with **C**.

Colorway #2: Work body/head with **C**; beak, tail, and head feathers with **B**.
