Waterline Shawl

Inspired by beachy waves, this shawl is a great way to practice your lace skills. As the color fades from one to the next, you just keep knitting and you'll have a beautiful project at the end.

Shawl measures 60" wide x 24" long [152.5 cm x 61 cm]

SPECIAL STITCH

kfbf (knit into the front and then back and then front of next stitch) = Knit the next stitch on the left hand needle and before taking it off the needle, insert the tip of your working needle into the backside of the same stitch and knit it through the back loop; then insert the tip of your working needle into the front of the same stitch and knit it through the front loop. Transfer the 3 stitches to the right hand needle - 2 st increased.
