### Notes:

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.

- Pull tie to remove.
- For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use.
- Follow color guide shown in Materials section for each O Go (Contrast A, B and C). You may find it helpful to place each color section in its own resealable (zip lock) bag and label the bag – A, B, C.
