FINISHING

Fringe (optional)

Use both colors to make fringe. Cut 50 strands of each color, each 10" (25.5 cm) long. Beginning with second color, attach fringe as follows in first corner st: hold 5 strands together and fold in half. With Wrong Side facing, insert hook through first corner st on short edge of scarf and draw folded end of strands through to form loop. Thread ends of strands through loop and pull ends to tighten. Continue attaching fringe in each ch-1 space and in opposite corner st across alternating 2 sections of second color and 2 sections of first color, ending with second color. Trim strands to even all fringe.
