Wrapped Sweater

This sweater has a clever twist in the center that gives it the winning combination of cozy and stylish. The attached sleeves help keep it in place as you go about your day, from the café to the office or out on a date.

One size fits most.

Wrap measures 17" (43 cm) long, 46" (116.8 cm) in diameter.

Special Abbreviations

ssk (slip, slip, knit) = slip next two stitches knitwise to right needle, insert point of left needle through front of sts, knit these sts together - 1 st dec.

SWEATER

Sleeves (make 2)

With smaller needles, cast on 52 sts.

Round 1: *K2, p2; repeat from * to end of round.

Repeat Round 1 until piece measures 12" (30.4 cm) from cast on.

Bind off all sts, leaving a long tail for seaming.

Body

Change to larger needles.

Cast on 200 sts, then twist cast on twice. Place marker and join to knit in the round, keeping the two twists in the cast on.

Round 1: Knit around.

Repeat Round 1 until piece measures 13" (33 cm) from cast on.

Shape Shoulders

Next round: K98, place marker, knit to 2 sts before marker, ssk, slip marker, k2tog; repeat from * one time - 196 sts.

Repeat this round 22 more times - 108 sts after final repeat.

Bind off all sts.

FINISHING

Lay body flat, with shoulders seams at each side. Arrange the twists so they are at the front and the back, between the shoulder seams. Using a yarn needle, tack the twists in place.

Seam sleeves to create a tube. At the bottom hem, parallel to the shoulder seams, measure 4" (10 cm) up. Seam the top of each sleeve to the inside of the body, leaving enough room to place your arm inside.

With yarn needle, weave in all loose ends.
