Finished size:	Your choice of T-shirt

Featuring Coats & Clark® Metallic Thread

Add a little sparkle and glam to a ready-made T with this fun unicorn appliqué. The ear and mane add dimension beyond the head shape—sure to please your favorite cherub.

Supplies

- Coats & Clark® Metallic Thread
- Coats & Clark Dual Duty XP® All-purpose Thread
- Ready-made child's T-shirt
- ¼ yd (22.86cm) white sparkly fabric
- 9" (22.86cm) square of rainbow faux fur
- ½ yd (30.48cm) single-strand sequins
- Paper-back fusible web
- Tear-away stabilizer
- Removable marker

Preparation

1. Trace the unicorn pattern on page 3 onto the paper side of the fusible web. Rough-cut the shape.
2. Following the manufacturer's instructions, fuse the web to the wrong side of the white sparkly fabric. Cut out the unicorn on the marked lines.

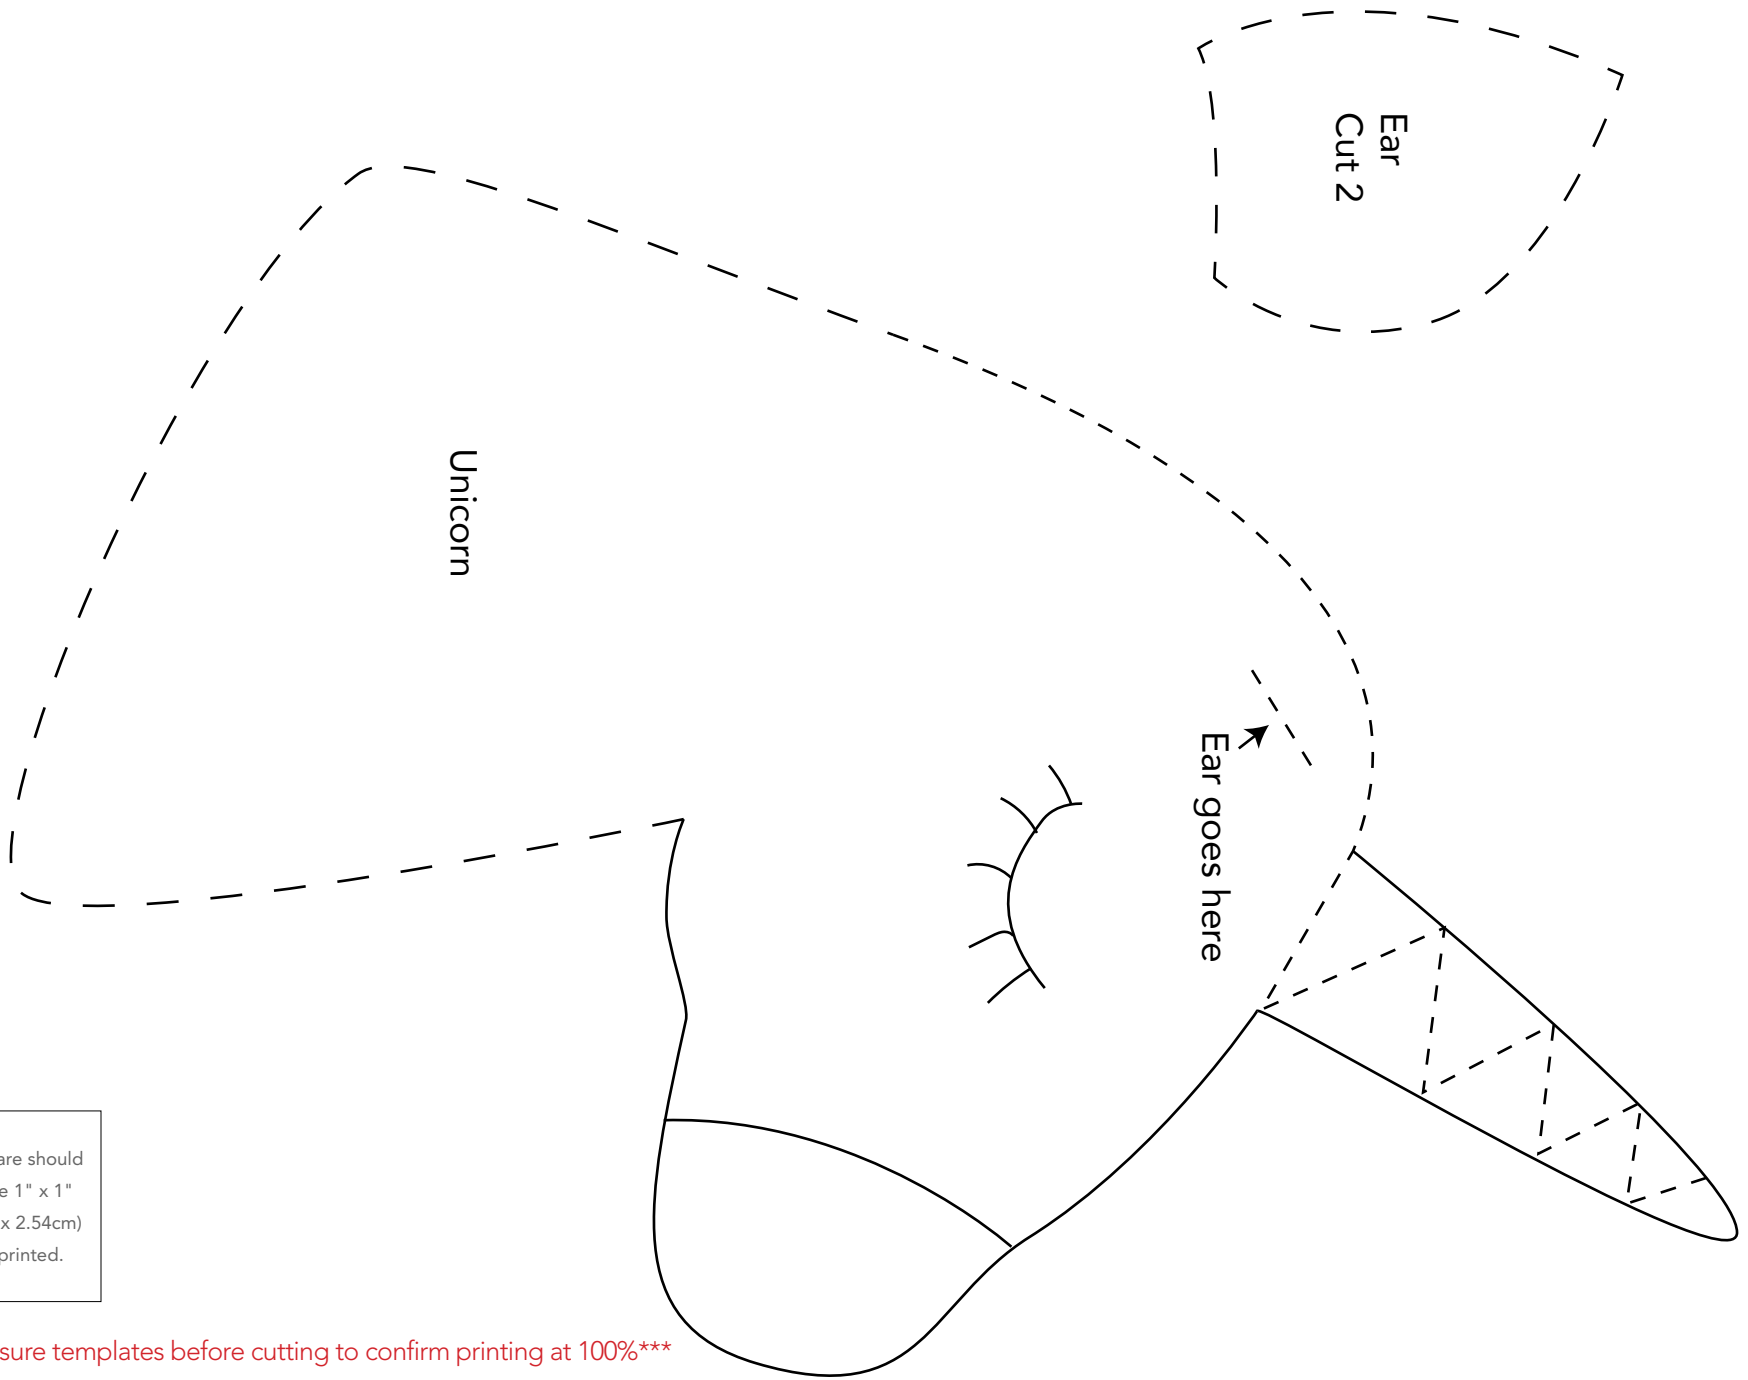

Cutting

From the white sparkly fabric, cut:

(2) ear

Assemble the Appliqué

1. Fuse the appliqué to the shirt front in the desired location.
2. Mark the lines for the eye and nose onto the appliqué. Using metallic thread and a narrow zigzag, stitch the eye and nose detail. Using a straight stitch, sew diagonal lines on the horn.
3. Using a medium-width zigzag, sew around the unicorn shape.
4. With right sides together, sew the two ear pieces together, leaving the straight lower edge open. Trim the seam and clip the corner, then turn the ear right side out. Press.
5. Turn under the lower ear edge and fold a center pleat. Hand-stitch the ear lower edge to the unicorn in the desired location. Do not stitch the entire ear flat.
6. Hand-stitch two rows of sequins to the lower unicorn edge.
7. Cut a 1½" (3.81cm) strip of fur across the grain, cutting only through the backing, not the pile. Fold the strip in half, matching long raw edges and whipstitch both edges together to the back and top of the unicorn, tucking it under the ear. Trim the pile for the desired look.
8. Because of the fur and sequins, it's best to gently hand-wash this shirt.

This square should
measure 1" x 1"
(2.54cm x 2.54cm)
when printed.
