Wrapped Initials

This fun yarn wrapping craft is a quick way to personalize any room with a monogram look. Choose your own initials, or show your support for your alma mater. Showcase them in an empty frame for a great finish.

**Frame is 11" x 14".
Letters are 7" tall.**

WRAP LETTERS

NOTE: Depending on the shape of the letters being wrapped, double stick tape can be used. Curved letters are easier to wrap with a hot glue gun.

Plug in and heat up glue gun. Be careful when using the glue gun; use the toothpick or dowel to move yarn around while glue is still hot.

Work from outside of skein for smoothest yarn. Using a dab of hot glue, secure yarn end onto top edge of letter, let cool to harden. Begin wrapping until ends are covered.

Keep wrapping in layers, covering exposed areas as you go. When wrapping closed areas, cut yarn 3-5 yards at a time, securing ends as necessary with glue.
