*The instructions are written for smallest size. If changes are necessary for larger sizes the instructions will be written thus (.). Numbers for each size are shown in the same color throughout the pattern. When only one number is given in black, it applies to all sizes.*

## Notes:

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.
- Pull tie to remove.
- Separate colors by gently pulling apart and cutting at the color transition. Each color is ready to use.
- When working from chart, wind small balls of the colors to be used, one for each separate area of color in the design. Start new colors at appropriate points. To change colors, twist the 2 colors around each other where they meet on WS to avoid a hole.
