Corner-to-Corner Guest Throw

This crochet throw provides much-needed tactility to a life filled with technology, and the border adds a sense of nostalgia. We used just one color of brushed yarn for this luxe corner-to-corner throw.

SHOP KIT

Throw measures 46" wide x 56" (117 x 142 cm).

Notes
1. Throw is worked diagonally in a corner-to-corner technique, beginning with 1 block and increasing by 1 block in each row until 45 blocks are made. Center rows are worked even to create the rectangular shape. Row 57 begins the decrease of 1 block in each row, ending with 1 block in Row 100.
2. Border is worked in joined rounds.
